About Shelf Drilling North Sea

Shelf Drilling North Sea is a shallow water offshore drilling contractor primarily operating in the North Sea. The company's fit-for-purpose strategy and fleet of modern high-specification harsh environment jack-up rigs enable it to offer a broad range of services in the shallow water drilling markets. The company is incorporated under the laws of Bermuda. Since October 12, 2022, company shares are listed on the Euronext Growth Oslo Exchange under the ticker symbol SDNS.

This information is subject to the disclosure requirements pursuant to section 5-12 of the Norwegian Securities Trading Act.
